*Vacation on the Crow Wing Chain of Lakes...*

# at **In-We-Go Resort**

*Located on an ideal lake, the 8th Crow Wing is not too large - not too small, two and one half miles long and a mile wide. It is the most popular fishing lake on the Crow Wing chain. Boaters and fishermen can also enjoy exploring the 9th and 10th Crow Wings.*

*The Crow Wings have an above average walleye population with spring and fall producing many limits.*

*At In-We-Go Resort we will guarantee you a clean ultra-modern cabin with no disappointments. The kitchens are supplied with cooking utensils, dishes, toasters, and coffee makers. Bed linens and blankets are furnished so all you have to bring are your own bath and dish towels.*

*Huge playground for the kids.*

*Enjoy the free use of our funbugs, paddleboat and other beach toys on our 850 feet of safe sandy shoreline.*

*Don't worry about not catching fish. We can almost guarantee stringers of crappies and bluegill.*

*Many Golf Courses and Walking Trails nearby.*
